17. Admissibility of House Rent Allowance in the event of non-application or non-acceptance or surrender of General Pool Residential Accommodation at various stations

The position of demand and availability of General Pool Residential Accommodation administered by the Directorate of Estates in Delhi and various Regional Stations has been reviewed in the light of provisions of HRA Rules, and decided the following:

GENERAL POOL

- (a) Government servants who are eligible for GPRA and who do not get an allotment may be paid HRA, without obtaining NAC, in the following cities:

Sl. No.	City	Sl. No.	City
1.	Delhi/New Delhi	8.	Hyderabad
2.	Mumbai	9.	Agartala
3.	Shimla	10.	Kohima
4.	Chandigarh	11.	Imphal
5.	Bangalore	12.	Dehradun
6.	Shillong	13.	Trivandrum
7.	Chennai		

- (b) Central Govt. employees working in posts eligible for GPRA in cities with a surfeit of GPRA shall be eligible to draw HRA only upon their providing the concerned DDO with a 'No Accommodation Certificate(NAC)' issued by the local Estate Manager. The following cities have a surplus stock, and therefore NAC rule shall apply to Central Govt. employees working in the following cities:-

Sl. No.	City	Sl. No.	City
1.	Nagpur	12.	Mysore
2.	Faridabad	13.	Varanasi
3.	Ghaziabad	14.	Guwahati
4.	Indore	15.	Agra
5.	Bhopal	16.	Bikaner
6.	Kanpur	17.	Srinagar
7.	Lucknow	18.	Gangtok
8.	Cochin	19.	Pune

9.	Rajkot	20.	Kolkata
10.	Allahabad	21.	Port Blair
11.	Jaipur	22.	Jodhpur

DEPARTMENTAL POOL

- (a) A number of Departmental Pools of residence have been created by different departments for accommodating their employees. However, it has been noticed that such departments/Govt. organizations having surplus Departmental Pool accommodation, are not complying with the requirement of furnishing of NAC before making payment of house rent allowance on the grounds that the cities have been exempt from the operation of this rule by the Ministry of Urban Development. It is now clarified that the provisions of HRA Rule 4(a)(ii) provide that wherever Government quarters are available for the staff of specified departments or for specified category of staff, procedure for applying for accommodation will be followed for determining their entitlement for the House Rent Allowance, such exemption is not available to the employees of Central Government offices having their own departmental pool of houses in surplus but are, at the same time, making payment of HRA to their employees.
- (b) The Estate Managers responsible for allotment of houses belonging to Departmental Pool are therefore advised to follow the procedure laid down in the HRA Rule 4(a)(i)(ii) before allowing payment of House Rent Allowances to their employees. In the event of residential accommodation still remaining surplus after following the prescribed procedure, they may consider transferring of such surplus units to the General Pool so that these could be put to use for allotment to the Central Government employees through General Pool Waiting Lists.

SURPLUS ACCOMMODATION

References are received in the Directorate of Estates as to whether the surplus accommodation can be allotted to the employees about their entitlement, on payment of three times the normal licence fee. In this connection, it is clarified that such allotment of accommodation above entitlement can be made in favour of employees only after following the procedure in respect of surplus accommodation, as prescribed under HRA Rule 4(a)(i). Before making formal allotments, applications from all interested Govt. employees may be invited by giving wide publicity of the proposed allotment of surplus accommodation on enhanced licence fee.

All the Heads of Department and Heads of Offices are requested to issue necessary directions to the respective DDOs to determine the entitlement of their employees to the payment of House Rent Allowance in accordance with these instructions, so as to enable optimum utilization of the existing Government residential accommodation.

24. Allotment of Type VI B [C-I] houses in GPRA

It has been decided by the competent authority that allotment of Type VI B [C-I] houses of General Pool shall be made in the ratio of 1:1 among the Secretaries to the Government of India & below level officers and Secretary equivalent officers and below level officers with effect from 1st April, 2015 and the allotment of Type VI A [C-II] houses in General Pool shall be made to officers waiting in the list of General Pool and earlier ratio is dispensed with effect from 1st April, 2015.

It has come to notice that apex grade officers have been waiting in one list of Type VI B [C-I] while HAG level or below level officers are getting accommodation from other list as sufficient number of apex grade officers are not available from that list. Thus, it has created an anomalous situation in allotments of Type VI B [C-I] accommodation.

The matter has been re-examined by the competent authority and it has been decided that allotments for Type VI B [C-I] shall be made to the officers with apex pay scale in the first instance in these two categories irrespective of availability of units. Thereafter, the remaining vacancies shall be allotted to Additional Secretaries to the Government of India and Additional Secretary equivalent level officers, who are not in the apex pay scale, as per the extant ratio. Moreover, no HAG level officer shall be allotted Type VI B [C-I] house while officer with apex pay scale is waiting in any of the lists.

In case hard copy of application is not received in the Directorate of Estates within 15 days from the date of online booking, the online application for such booking would be automatically rejected in respect of applications prior to six months. In case hard copy is not received in the Directorate of Estates before 5.00 p.m. of weekly allotment date (i.e. on Monday of every week) from the date of online booking, the online application for such booking would be automatically rejected in respect of application within the six months period.

26. Allotment of Type VI B(C-I) and Type VI A [C-II] houses of GPRA in Delhi to the Secretaries to the Government of India & below level officers and Secretary equivalent officers & below level officers

It has been decided by the competent authority that allotment of Type VI B [C-I] houses of General Pool shall be made in the ratio of 1:1 among the Secretaries to the Government of India & below level officers and Secretary equivalent officers and below level officers with effect from 1st April, 2015 and the allotment of Type VI A [C-II] houses in General Pool shall be made to officers waiting in the list of General Pool and earlier ratio is dispensed with effect from 1st April, 2015. It has also been decided by the competent authority that allotments for Type VI B shall be made to the officers with apex pay scale in the first instance in these two categories irrespective of availability of units. Thereafter, the remaining vacancies shall be allotted to Additional Secretaries to the Government of India and Additional Secretary equivalent level officers, who are not in the apex pay scale, as per the extant ratio. Moreover, no HAG level officer shall be allotted Type VI B [C-I] house while officer with apex pay scale is waiting in any of the lists.

It has come to notice that the situation has become anomalous in spite of the ratio of 1:1 in Type VI B [C-I] accommodation and no officer of both lists can be very sure about getting the house he is bidding for as the houses are not distributed among the lists.

The matter has again been reviewed by the competent authority and it has been decided to create a separate pool viz. Secretaries Pool for Secretaries to the Government of India [SG Pool] and below level officers from All India Services for allotment of Type VI B [C-I] houses of general pool residential accommodation with effect from 1st April, 2015. Accordingly, total housing stock in Type VI B [C-I] shall be distributed between Secretaries Pool and General Pool and all vacancies arising with effect from 1st April, 2015 in Type VI B [C-I] houses of general pool residential accommodation will be distributed between Secretaries Pool and General Pool in the ratio of 1:1. 28. Guidelines for discretionary out of turn allotments of general pool residential accommodation in Delhi – allotment of ground floor residential accommodation to the applicants with disabilities under discretionary quota on medical grounds.

It has been decided by the competent authority that preferably ground floor accommodation will be allotted to the applicants with disabilities under the discretionary allotments on out of turn basis on medical grounds as per the extant guidelines of the Directorate of Estates issued vide O.M.No.12035/2/97-Pol.II(Pt.) dated 17.11.1997.

[O.M No.12035/2/97-Pol.II(Vol.III) dated 7.10.2014]

29. Clarification on the guidelines dated 17.11.1997

There have been requests for clarifications as to whether any restriction is available for further allotment and change of residential accommodation due to higher grade pay on functional ground to the personal staff attached to various dignitaries and key officials working in important offices on their promotion etc. within the quota prescribed for various dignitaries and important offices in the guidelines dated 17.11.1997 for discretionary out of turn allotments under 5% quota.

2. It is clarified that no provision for restriction of further discretionary out of turn allotment of general pool residential accommodation on functional ground to the personal staff attached to various dignitaries and key officials working in important offices is available in the guidelines dated 17.11.1997. Moreover, there is no provision available in SR 317-B-8A (Out of turn Allotment) restricting further out of turn allotment of general pool residential accommodation to the personal staff attached to the Ministers and other dignitaries mentioned in the rule. Further, the para 2(a) in Annexure-III of the guidelines dated 17.11.1997 is not applicable in discretionary/out of turn allotments of GPRA to the personal staff attached to various dignitaries and key officials working in important offices and to the personal staff attached to Ministers and dignitaries mentioned in SR 317-B-8A.
3. However, change of same type of accommodation on functional grounds is permitted to the personal staff attached to various dignitaries and key officials working in important offices and would be treated as a new discretionary out of turn allotment as after introduction of automated system of allotment, initial as well as change allotment has same date of priority.
4. While sanctioning allotments of GPRA under the guidelines dated 17.11.1997 and SR 317-B-8A, it has to be ensured that the allotment is within the quota prescribed for Ministers, various dignitaries and important offices as per the guidelines and the rule.

(OM No.12035/2/97-Pol.II(Vol.III) dated 24.4.2015)

30. Coverage of date of priority for regularization of accommodation and licence fee

It has been brought to the notice of the Directorate of Estates that there have been occasions when allotment sections have faced difficulties, after introduction of Automated System of Allotment, on

coverage of date of priority for a house in a particular type of accommodation in an area/locality while regularization of general pool residential accommodation or during conversion of three times of licence fee into normal licence fee in out of turn allotment cases etc. Before introduction of Automated System of Allotment waiting lists were prepared area/locality-wise. However, after introduction of Automated System of Allotment, the unified waiting lists are now prepared house-wise in each area/locality which keeps on changing with each bidding cycle. This results into complexities in calculation of date of priority.

2. In order to address the above mentioned problem, the matter has been re-examined and it has been decided by the competent authority that in cases of regularization of general pool residential accommodation the date of priority of any officer will be considered to have been covered in a particular area/locality if any officer junior to him has been earlier allotted regular allotment in the same type of accommodation through automated system of allotment (ASA) in that particular area/locality since the introduction of Automated System of Allotment for that type of accommodation.
3. However, for calculation of licence fee in cases of out of turn allotments, the date of priority of any officer will be considered to have been covered for ground floor accommodation in a particular area/locality if any officer junior to him has been allotted a ground floor accommodation on regular allotment in the same type of accommodation through automated system of allotment (ASA) in that particular area/locality after out of turn allotment to the senior officer.
4. In respect of calculation of licence fee in cases of out of turn allotments for other floors, the date of priority of any officer will be considered to have been covered for other floor accommodation in a particular area/locality if any officer junior to him has been allotted any floor accommodation on regular allotment in the same type of accommodation through automated system of allotment (ASA) in that particular area/locality after out of turn allotment to the senior officer.

1. Review of concession regarding Rent Free Accommodation or recovery of rent at reduced rates

It has been decided with the concurrence of the Ministry of Finance, that where for the efficient discharge of duties, it is necessary that an employee should live on or near the premises where he works, it would be desirable that he should be provided with a Govt. residence. But the residence should be rent free or rent recovered at reduced rates only if the nature of his duties or conditions under which they have to be performed are such that a higher scale of pay or special pay etc. would be granted but for the concession of rent-free house or recovery of rent at reduced rates. It has also been decided that this concession should, in future, be allowed only with the concurrence of the Ministry of Finance in each case.

2. The Ministry of Home Affairs, etc. are requested to review the rent concessions already allowed to Govt. servants in the Ministry and the offices attached and subordinate to them in consultation with their Associated Finance. For this purpose, they are requested to forward, to their Associated Finance, lists of which do not fulfill the criterion mentioned above indicating therein the category of employees, their scales of pay, the orders under which the concession has been allowed and whether the concession has had the concurrence of the Ministry of Finance and other relevant details.

2. Expenditure on furnished rent-free accommodation to Chairman/Members of various Commissions / Tribunals

It has been observed that a number of Commissions are appointed by various Ministries/Departments and the terms of appointments of their Chairman and members contain a provisions for rent-free furnished accommodation for them. However, since it is not possible for the CPWD to foresee such expenditure and also there is paucity of funds, it is unable to meet the demand made to this regard. Hence, it has been decided that whenever allotment of general pool residential accommodation is made to the Chairman/Members of various Commissioners appointed by the Ministries/departments the expenditure on account of furniture, etc. will be borne by the concerned Commission/Ministry who may issue expenditure sanction after obtaining the estimates form the CPWD. A line to this effect will also be included in the allotment letter.

The Standard Lease Agreement (SLA) which is entered into by the Govt. with the owners of the private buildings taken on lease by the Govt. for office accommodation has been modified in consultation with the Ministry of Law and Ministry of Finance. Amendment in the existing SLA has been brought by adding provisos below Clause-14. It is however emphasized that all efforts should be made to either terminate or renew the lease period before it expires and the cases requiring invoking the now incorporated provisions should be resorted to only in exceptional cases treating it as an enabling provision.

It has been decided that wherever renovation/modernization, office automation and complete computerization is being effected, the department concerned may send a proposal of air conditioning which could be considered subject to availability of funds and certification by CPWD. 8. Procedure for dealing with cases relating to unauthorized construction/encroachment in Government quarters/public premises

Attention is invited to this Directorate's OM of even number dated 23.12.1993 vide which instructions were issued regarding division of responsibilities between various organizations under the Ministry of Urban Development regarding detection, reporting and removal/demolition of unauthorized construction in Government accommodation. Of late it has been noticed that action by the various organizations is not taken on the grounds that action to cancel the allotment will be taken first by the authorities concerned.

The matter has been considered in this Ministry. It is clarified that CPWD is responsible not only for detecting and reporting but also for preventing and removal of unauthorized construction in the government accommodation under the administrative control of the Directorate of Estates but also accommodation placed at the disposal of the Lok Sabha and Rajya Sabha Secretariats. In any case removal of unauthorized construction need not follow cancellation of allotment and eviction of the occupants. These are parallel actions envisaged in the guidelines. A need has been felt to reiterate the instructions enumerating the responsibilities of various authorities in the matter of detecting, reporting and removal of unauthorized construction in the government accommodation so that there is no ambiguity in discharging respective responsibilities assigned to the authorities concerned and that the instructions are complied with by all concerned without fail.

Since the government buildings standing on the land and land underneath and appurtenant thereto, along with the lands under roads, parks, toilets, playgrounds situated in the Government colonies, come under the administrative control of CPWD for all purposes, the responsibility with regard to reporting of unauthorized construction/encroachment thereon is also that of the CPWD. While the Directorate of Estates would receive reports from the CPWD regarding unauthorized constructions/encroachment by allottees of General Pool residential/ commercial premises and would take steps for cancellation of allotment, the responsibility for removal of such unauthorized construction/encroachment and also encroachment by persons, other than allottees, will vest with the CPWD. The CPWD is also entrusted with the responsibility of taking action to remove encroachment/unauthorized construction in common areas such as roads, parks not handed over to the local bodies or un-allotted land in government colonies, which cannot be specifically attributed to an allottee.

To summarize, the responsibility for detecting, reporting and removal of unauthorized construction/encroachment in government colonies/on government land would lie on the authorities as laid down below:-

S. No.	Type of unauthorized construction	Area where it takes place	Responsibility for detecting/ reporting/ removal	Responsibility for cancellation/ eviction proceedings
1	2	3	4	5
1.	Unauthorized construction	Inside a residential quarter/ shop allotted by Directorate of Estates	CPWD	Directorate of Estates to cancel the allotment & initiate eviction proceedings & evict the person concerned from the premises.
2.	Unauthorized construction	In a lawn/space attached to a specific residential quarter/ shop or by an identifiable allottee/ shop-keeper	CPWD	Directorate of Estates to cancel the allotment & initiate eviction proceedings & evict the person concerned from the premises.

3.	Unauthorized construction	On common lawns of residential quarters/markets not attributable to a specific quarter or a specific allottee and internal roads not handed over to the local bodies	CPWD	CPWD
4.	Unauthorized construction/encroachment	On open land which do not form part of open space attached to specific quarters/ shops which do not form part of common lawn of quarters / markets	L&DO/CPWD/Land Owning Agency	L&DO /CPWD /Land Owning Agency
5.	Unauthorized construction/encroachment	Roads/lands/open spaces declared as public streets handed over to local board	L&DO/CPWD/Land Owning Agency	L&DO /CPWD /Land Owning Agency

NB: Where it is found that an allottee has aided or abetted any encroachment e.g. by supplying power, etc., Directorate of Estates shall after due enquiry cancel the allotment and initiate eviction proceedings.

5. It is clarified that the CPWD (or land owning agency, as the case may be) will be responsible for not only detecting / reporting of unauthorized construction/encroachment under column 4 of the table in paragraph 4 above but also preventing and removing the unauthorized construction/encroachment in the General Pool accommodation under the Directorate of Estates but also accommodation placed in the pools of Lok Sabha and Rajya Sabha Secretariats. Removal of unauthorized construction/encroachment need not follow cancellation of allotment and eviction of the occupants by the Directorate of Estates under column 5 of the table in paragraph 4 above. These are parallel actions envisaged in this regard. The Executive Engineers (CPWD) concerned have been appointed and notified as Estates Officers for the purposes of the Public Premises (Eviction of Unauthorized Occupants) Act, 1971. This supersedes the Directorate of Estates OM of even number dated 23.12.1993 on the above subject.

9. Non acceptance of Government quarters due to arrears of electricity bills.

Some Government quarters of various Types are lying vacant since a long time due to their non-acceptance by the allottees as substantial amount of electricity charges are outstanding in respect of the previous allottees of these flats. The matter has been considered in this Directorate in consultation with the representative of BSES Rajdhani Pvt. Limited.

BSES Rajdhani Pvt. Limited has informed that they are providing new connections to the allottees of Government accommodation without insisting on clearance of dues pertaining to the previous allottees. They are initiating action for recovery of outstanding dues in respect of the previous allottees as per the provisions of the Electricity Act. 16. Location of offices in Delhi/New Delhi

With a view to check congestion in Delhi, the Union Cabinet in its meeting held on 13.6.1957 had decided that

- (ii) irrespective of whether it requires office or residential accommodation through Government offices, no new office of the Central Government or Semi-Government Organization should be established in Delhi without the express approval of the Cabinet given on the commendations of the Accommodation Advisory Committee.

While reiterating the above said decision on 23.6.1973, the Cabinet again directed that no new office of the Central Government or Public Undertakings and Statutory or Corporate bodies owned or controlled by the Central Government be set up in Delhi or brought out from outside places to Delhi without obtaining the express prior approval of the Cabinet Committee on Accommodation.

The CCA in its meeting held on 12.10.2009 reiterated again the earlier decision of the Cabinet regarding not locating any new offices in Delhi and directed that in future, where it is considered absolutely essential to locate any new office in Delhi, the Ministries/Departments shall in all such cases consult the Ministry of Urban Development regarding availability of office space/residential accommodation in Ghitorni at the stage of inter-Ministerial consultation and before placing the matter before the competent authority for decision.

References are received from different regional offices referring cases from grant of a Type V accommodation to an individual officer who is entitled for Type IV accommodation on payment of three times of normal licence fee. The following guidelines may be followed strictly to decide such cases:-

1. First of all, all Type-V accommodation which are lying vacant for more than a year may be declared surplus by the concerned allotting authority after fulfilling and satisfying the demand of Type-V accommodation. Before declaring surplus, it must be ensured that there would be not demand of Type-V accommodation for considerable period in future.

After declaration of Type-V quarters as surplus, the concerned allotting authority will issue a general circular inviting applications from officers eligible for Type-IV accommodation for allotment of Type-V accommodation i.e on type higher than entitlement on payment of three times of licence fee. Equal opportunity to be provided to all eligible officers and hence it will be the duty of the allotting authority to ensure that aforementioned circular reaches all eligible offices/officers well in time. The aforementioned circular shall also be displayed on notice board and website.
3. Surplus Type-V accommodation would be allotted on the basis of earliest Date of priority.

4. If before allotment of surplus Type-V accommodation, application for allotment from an officer entitled for Type-V accommodation is received, the allotting authority will allot the said surplus Type-V accommodation to the officer who is entitled for Type-V accommodation ignoring the options received for higher type of accommodation on payment of three times of licence fee.

It has now been decided that provision for additional space should be limited to 10% of total requirement of an office for further expansion and that if a Ministry/Department wants more than 10% of the total requirement as additional space for expansion, they may do so with the approval of their Integrated Finance Division, keeping in view the need for maximum economy. For assessment of prescribed revised scales, the total requirement for office space of the Ministry/Department and its Attached/Subordinate offices located in Delhi/New Delhi has to be given in the schedules I to IV mentioned in the OM.
