विषय : Retention of General pool residential accommodation at last place of posting on transfer to a Non-family station.

Reference is invited to the Rule 43 of the Central Government General Pool Residential Accommodation Rules, 2017, vide which retention granted to allottees (including AGMUT cadre officers) of GPRA at their last place of posting in case of their posting to different non-family stations for bonafide use of their family members under different guidelines of Government of India issued from time to time, has been restricted to a **maximum of three years**. But it has been observed that Allotment Sections are still allowing retention to such allottees as per the earlier guidelines/rules. Therefore, it is requested to all allotment sections to strictly adhere to the new rules and retention shall be permissible as per these rules only.

2. It may further be stated that w.e.f 19.6.2017, after the introduction of new rules i.e CGGPRA Rules, 2017, further retention should be granted to **such allottees upto 30.6.2018 or maximum of 3 years, whichever is earlier**.
