

NACIN Mumbai has earned laurels for designing and execution of an extensive training program for skill upgradation and capacity building to ensure smooth implementation of GST, one of the largest tax reforms of India. It has also been providing GST training to representatives of trade bodies, trade professionals and State GST officers.

Another feather in the cap of NACIN, Mumbai is that it has earned plaudits as one of the designated training institutes for Indian Technical and Economic Cooperation program (ITEC) of Ministry of External Affairs. Under ITEC, the ZTI has been successfully imparting training to the delegations of Customs officials from countries such as Palestine and Maldives. A 5 day International Air Cargo Interdiction Training (IACIT) training was also conducted by the US - Customs and Border Protection (US-CBP) at NACIN. On past occasions NACIN has also conducted trainings on environmental issues in association with UNEP.

Having proven its worth as a high caliber training institute over the decades, the ZTI is marching towards the ever-new horizons of disseminating knowledge and imparting holistic training. In the process, NACIN, Mumbai justly prides itself as a contributor to the noble cause of nation building.
